~ professional experience ~

Designer & Front-End Developer for Wildfire Interactive

// Redwood City, CA // March 21, 2011 – Present

Design and code interactive experiences that engages fans on social media sites. A good deal of problem solving and creativity is needed to remain within the constraints of Facebook, Twitter, LinkedIn, and other platforms, as well as our own.

Interactive Designer for TRAVELCLICK

// Baltimore, MD // March 8, 2010 – March 20, 2011

Design websites, behavioral marketing campaigns, and other interactive media for leading hotel brands. Lead Design for Trump Casinos Atlantic City.

Freelance Graphic Designer, Self-Employed

// Baltimore, MD // August 2007 – Present

I take on work from print to web to interactive design. People and companies I have collaborated with include Replicon, Cartoon Network, and author of self-help e-books, Martin Yate.

Contract Graphic Designer for Universal Companies

// Abingdon, VA // November 2007 – January 2010

Designed print materials within the marketing department. Projects included catalogs, brochures, packaging, advertising, flyers, displays, etc...

Graphic Designer for Kerosene Creative Services

// Chicago, IL // May 2009 – August 2009

Collaborated to design and perform quality assurance testing for interactive projects created for movies, video games and professional individuals.

Freelance / Intern Graphic Designer for Cartoon Network

// Atlanta, GA // June 2007 – August 2008

Responsible for designing presentations, assets, banners and web page layouts for the Cartoon Network website.

Intern Graphic Designer for Kingsport Times News

// Kingsport, TN // June 2006 – August 2006

Designed banner ads, newspaper advertising & brochures with the direction of the Art Director within the graphics department.
